Strategy without craft is invisible.
Craft without strategy is noise.
We bridge the two.

What We Do

Branding & Visual Communication

Comprehensive brand identity systems, key visuals, and corporate marketing collateral—delivering visual clarity and strategic precision for complex financial and corporate offerings.

Digital Experience & Motion Design

Dynamic motion graphics, 2D animation, interactive digital media, and bespoke product videos—delivering impactful visual storytelling across multi-channel campaigns, customer journeys, and live stage projections.

Strategic Content & Copywriting

Compelling campaign storytelling, messaging architecture, and trilingual video scriptwriting—translating complex product concepts into engaging, market-compliant narratives for regional audiences.

Music Production & Live Show Curation

Original music composition, arrangement, live musical direction, and stage audio curation—integrated with complete narrative and visual identity systems for live performances and cultural showcases.

Selected Experience

Our core team brings extensive experience collaborating on strategic projects across the financial, non-profit, and cultural sectors:

01

Insurance & Financial Services

Logo design and brand identity systems for new ventures, alongside comprehensive product communication assets, motion videos, and client-facing collateral for leading regional institutions, including HSBC Life, AIA, AXA, and FWD.

02

Non-Profit & Environmental Initiatives

Campaign storytelling, messaging architecture, annual reports, and integrated communications for organisations including Greenpeace HK, Green Power, and the Hong Kong Red Cross.

03

Arts, Culture & Music Curation

Music direction, show curation and conceptualisation, costume and set styling, motion design, and visual direction for regional concert tours, live cultural productions, TV programmes, and feature films.
